

EMERGENCY MOTIONS

The Court will only address Emergency Motions that allege the following:

1. Allegations of immediate physical harm to a child or allegations of sexual abuse to a child.
2. Allegations involving immediate irreparable financial harm to a party.
3. A motion that does not meet the above criteria will be denied outright without a hearing.
4. If an emergency motion is denied as an emergency, but leave is granted to address the issue through the normal process and no hearing is scheduled within 30 days of filing the motion, that matter will be deemed abandoned and as such, denied.

Mislabeling a motion as an emergency when it does not meet the above criteria will result in sanctions which could include a prohibition of filing future pleadings or a finding of contempt. A finding of contempt could result in monetary fines and/or incarceration.

REPETITIVE MOTIONS

Filing a repetitive motion addressing a matter that has already been ruled upon will result in sanctions which could include a prohibition of filing further pleadings or a finding of contempt. A finding of contempt could result in monetary fines and/or incarceration.
